

Kids Club Corner...

Welcome to **Oak Mesa Kids Club** - a before and after school program. We operate with a ratio of 15 children to one adult. There are typically around 100 children in our program and 7 staff members. We open at 6:30 a.m. and close at 6:00 p.m. We are open on teacher in-service days and compact or minimum school days, but are closed on all legal holidays.

At Kids Club, we strive to provide a fun, engaging, and nurturing environment. The development of self-esteem, friendships, teamwork, responsibility, respect, and a sense of belonging is actively encouraged. We empower children with the freedom to make choices within a framework of structure and boundaries. We offer various enrichment clubs that meet weekly. Some of the clubs we had last year include: reading, art, creative writing, cheer/dance, and sign language. Our fabulous tea parties are usually held once a month. We have an annual Talent Show and Olympics event. We use our wonderful Discovery Center for computer time and school projects. We offer homework assistance and communicate frequently with teachers to ensure a successful school experience.

Your child's safety is our top priority and we have strict policies for pick up:

- Everyone who signs out your child (including you) **must** show photo identification (license) until we recognize you and know that you belong with your child.
- We can only release your child to those people listed on your emergency card or who have written permission signed by a parent or guardian.
- You **must** let us know anytime your child will not be coming to Kids Club, but did attend school. Keep me posted as to a variable schedule (child attends Tuesdays and Thursdays only) or extra curricular activities either on or off campus so that I know when to expect your child. You can call, email, or stop by in person.
